Re: Condominium Management

Dear Mr. Plocher:

I write to express my deep appreciation for the services provided by your company regarding the management of my condominium in San Bernardino. Mike and Jan Hamilton have simply been terrific. Their level of professionalism, competence and responsiveness has been exceptional. I have a tendency towards disquietness. However, thanks to the services of Mike and Jan, the management of my condo is no longer on my list of worries.

Thank you. Thank you.

Very truly yours,
